

(RT sing along to the tune of Van Morrison's "Moon Dance")  
Well its a marvelous night for a Roundtable  
With the stars up above in the skies.  
A fantabulous night to have RT  
Beneath the cover of October skies.  
And at the Camporee the leaves will be falling  
To the sound of the breezes that blow.  
And I'm trying to follow to my calling  
Providing you with Handouts on Scouting info.  
And all the nights critters seem to whisper and hush  
And all the soft moonlight seems to shine in the bullfrog  
rush.  
one more RT with you,  
Scouters.  
Can I just have one more RT with you.

Can I just have
