

Hello All,

We had a great turn out for RT last Thursday night. We had 40 Leaders and 19 Packs represented. That's a great way to start the Cub Scout year.

A special thanks to Lori Young and Christian Shepherd for School Nite Training. They did a great job.

Raingutter Regatta date has been changed to September 26th at the Boys and Girls Club.

Your help is needed. As most of you are already aware, this is the 100th anniversary year of Scouting. April 9 -11, 2010 will be the 100th anniversary Encampment for the Gulf Coast Council. Cub Scouts will be invited to attend on Saturday to earn a patch and 6 rockers thru completing different activities of the core values of Scouting and then stay for the "show." This will not be skits and your average "campfire." It is going to be huge. I am the Encampment Cub Scout Program Director and would love to take your ideas to the committee. If you are interested in serving or staff or being part of the brain storming session please email me. I promise if you are on the staff it will be a 3 hour shift at the most. Everyone needs to be able to staff and enjoy the entire event.

Upcoming Events:

August 29 th	Tri-County Commissioner Training, Register thru Council
September 26 th	District Raingutter Regatta
