Other Scouts directly involved

Severity (Risk) of Safety Incident

		Actual Harm Occurred	Probability of Harm		
			Extreme <small>Without intervention, or the exercise of self-control, the Scout's continued or repeated misbehavior of this nature would in most cases result in harm.</small>	Moderate <small>Without intervention, or the exercise of self-control, the Scout's continued or repeated misbehavior of this nature would in some cases result in harm.</small>	Slight <small>Without intervention, or the exercise of self-control, the Scout's continued or repeated misbehavior of this nature would in remote cases result in harm.</small>
Severity of Harm	Catastrophic <small>Potentially causing death or could change the course of one's life (loss of limb, eyesight, permanent disability)</small>	10	10	9	6
	Significant <small>May (or did) require professional medical treatment, may result in time out of school/work and/or restrictions.</small>	9	8	6	4
	Minor <small>Treatable with basic first aid and result in no permanent damage.</small>	6	5	3	1

Each leader involved in the incident (both adults and boys) shall initial the above chart in the appropriate box indicating their subjective assessment of the severity of the incident. Based upon this input, the scoutmaster shall circle the value in the chart above that he believes applies to the incident. This is the rating that will be used in decision making in regard to discipline.

TROOP 317 SAFETY INCIDENT REPORT

Scout's explanation of what happened:

Answer truthfully and completely. You are responsible for your own actions only. If you made a mistake, admit it and explain what you could have done to prevent the safety incident.
